

HOW TO GET A BAND INSTRUMENT

Step 1: Only buy/rent instruments AFTER you have been assigned to an instrument by a band director.

Step 2: Come to an Instrument Drive!

Supply list information

For a list of supplies for your instrument, visit

www.nullband.com,

click “bands”, >> “beginner band”, >> “required supplies and preferred brands”

INSTRUMENT DRIVE **NIGHTS, 6:00 - 8:00 pm**

August 19, at Null Middle School

August 24, at King Middle School

Step 3: You need an instrument before Labor Day.

- If you are playing one of the following instruments, you only need to pay your instrument usage fee (\$50 per year) and purchase the required accessories:

Oboe, bassoon, french horn, euphonium, tuba

(Your instrument will be provided by Null MS for a \$50 fee each year. You will receive paperwork and can send the money once school starts.)

- If You are playing one of these instruments, you will need to get your own instrument:
Flute, clarinet, saxophone, trumpet, trombone, percussion

Here are some ways that you can do it:

Purchase your instrument through a “rent to own” program. The stores allow you to pay for the instrument in monthly payments. This is the best deal.

select affiliate “RG’s Music Repair - Houston”

Shop around for a good, used instrument.

You will still need to order your supplies from the music store.

- Please stick to the brands given to you on the list we gave you, especially if you are buying from a pawn shop, facebook marketplace, offerup, craig’s list, etc. , if you are unsure, contact your band director first (text or email works great!) to see if it is a good instrument.
- **DO NOT** buy instruments from retail stores/department stores. These are very poor quality instruments.
- **Do not** buy an instrument that is not the traditional color of the instrument. They may look cool, but they will not sound cool!
- Talk to a band director if there are financial hardships.

HOW TO GET A BAND INSTRUMENT

Paso 1: ¡NO compre un instrumento hasta que un director de banda lo haya probado para ver qué instrumento tocará!

Paso 2: necesitarás suministros para tu instrumento.

Así es como los obtienes:

Para obtener una lista de suministros para su instrumento, visite www.nullband.com

haga clic en "bands", luego "beginner band", luego "required supplies and preferred brands"

Pas 3: necesitas un instrumento para la cuarta semana de clases.

- Si está tocando uno de los siguientes instrumentos, no hay nada más que deba hacer.

Oboe, bassoon, cuerno francés (french horn), eufonio (euphonium), tuba

Su instrumento será provisto por Null por una tarifa de \$ 50 cada año. Recibirás documentación y puedes enviar el dinero una vez que comiencen las clases.

- Si está tocando uno de estos instrumentos, necesitará obtener su propio instrumento:

Flauta, clarinete, saxofón, trompeta, trombón, percusión

Aquí hay algunas formas en que puede hacerlo:

Compre su instrumento a través de un programa de "alquiler con opción a compra". Las tiendas le permiten pagar el instrumento en pagos mensuales. Este es el mejor trato.

Busque un buen instrumento usado. Aún tendrá que pedir sus suministros en la tienda de música.

- Por favor, solo considere las marcas que le dieron en la lista que le dimos, especialmente si está comprando en una tienda de empeño, en Facebook, Offerup, Craig's List, etc., si no está seguro, comuníquese primero con su director de banda (mensaje de texto o correo electrónico es una gran manera de contactarnos!)
- **NO compre** instrumentos de tiendas minoristas / grandes almacenes. Estos son instrumentos de muy mala calidad.
- **No compre** un instrumento que no sea del color tradicional del instrumento. Pueden verse bien, pero no sonarán bien.
